

Triumph 4810-EP Paper Cutter

The 4810-EP provides fast, precise cutting for quick printers and in-plant facilities.

This affordable Triumph features a programmable keypad for efficient operation.

Triumph 4810-EP Features

- LED digital display allows indication accuracy to .01" for power back gauge positioning.
- Memory key for repeat cuts and eject key.
- Spindle clamping system applies firm pressure along the entire cutting length.
- Blade can be easily changed without removing covers.
- Two side guides on the front table and back gauge allow precise positioning, even for small paper stocks.
