- "fold-only" capability
- heavy-duty staple clinchers produce "flat-finish" staples
- 2 stapling heads, 5 stapling positions
- uses high-capacity, 5,000-staple cartridges
- auto-stop and signal when staple cartridge is empty

*may vary due to variations in paper and power supply

Dealer:

The transparent safety access cover will not allow machine to operate when open.

A powered exit conveyor stacks booklets neatly and folds away for compact storage.
